

LOCATION

Are you visiting the area? Do you need a stopover?

Park your vehicle easily. In our facility, which offers you every service you may need. Peaceful and quiet and with the best connections.

Just a few meters from major motorways and connected with a wide first-class road network AP8 y GI-636. The best choice to have a rest, just a few kilometres away from the French border.

Ideal location to visit the most emblematic tourist places in the area. Close to nature where you can do some forest trails and hiking among other activities.
